A Friendly Reminder - When working with your dog(s) at Chatfield or anywhere else for that matter; please remember the laws protecting the dogs left in hot cars. The NCA is reminding everyone that more and more communities are creating legislation regarding dogs in cars during practice as well as during tests. Not everyone who goes out to the gravel ponds understand what we are doing and they can easily misunderstand when a dog is in one of the cars, unattended even for a brief period of time.

Canadian National Specialty

The Newfoundland Dog Club of Canada (NDCC) will once again be hosting our annual National Specialty from August 31st through September 3rd, 2017 in conjunction with the Cornwall District Kennel Club 4 All Breed Championship Dog Show in Ingleside, Ontario.

We are extending a very warm invitation to join us for the National's return to Ontario, featuring the following events:

CONDC Water Test
Rally & Obedience Trials
Veteran and Puppy Sweepstakes
Junior Showmanship
CONDC Regional Specialty
And THE NATIONAL SPECIALTY SHOW

There will also be four all breed conformation shows, four all breed Obedience and Rally Trials and a Limited Breed Show for Groups 1, 3 & 7 to complement this National Specialty.

This means that there will be a combined offering of SEVEN shows for Newfoundlands!

Our grand weekend is fast approaching and we would like to remind our members and friends about the deadlines for Award Sponsorships and Catalogue Ads. Award sponsorships will be gratefully acknowledged in the show catalogue as long as they are received by August 16th. Full or half page ads can be purchased for as little as \$25.00 and must be received by August 10th. Please see the attached forms for more information. Donated items for either our brown bag auction or live auction are certainly most welcome as well.

The costs that are part of a National Specialty are significant and we are extremely grateful for all donations. A sincere "thank you" goes out to all of our generous patrons who have already made a financial contribution.

Premium Lists for the Central Ontario Regional Specialty and the Water Test can be found on the NDCC website along with information re: banquet tickets, accommodations etc. The National Specialty Premium List will be posted later today and is currently available on our 2017 National Specialty Facebook page (see link below). Please keep checking back as information is continually being updated.

WAGS AND BRAGS

My sincerest apology to Amanda and Nahkohe for missing her Brag (included here) in the last Newsletter. lynn kitch

Nordic Wonder Bear w/Me, "Nahkohe," CD, GN, RAE, WRD, DD3, CGC earned her PCD at the October 23rd, 2016 Wenatchee Kennel Club show in Wenatchee, WA.

Owned by Amanda Buse & Jeanne Buse

Nahkohe earned the title in 3 straight shows with all 1st placements.

"That's my girl. That's my rescue. That's Nahkohe" (My little saying after each new title.) :-)

Thanks,
Amanda

WAGS AND BRAGS

Proud to officially announce that on April 15th, 2017, at the Ephrata-Moses Lake Kennel Club dog show (in Moses Lake, WA), at 10+ years old, Nahkohe earned her CDX with a 2nd place. This was her first time back in the ring for her CDX after two years out due to a torn ACL and post-TPLO surgery. This also marked Nahkohe's retirement from regular Obedience (she needs one more PCDX leg). I cannot express enough how proud I have been of my rescued girl. She has been one heck of a training and exhibiting partner. We are now enjoying Tracking and Nose Work, and at some point, hopefully Therapy work (when she is a bit calmer, if ever).

Name: Nordic Wonder Bear w/Me, "Nahkohe," CDX, PCD, GN, RAE, WRD, DD3, CGC, TOD-D

Owner(s): Amanda Buse & Jeanne Buse

Handler: Amanda Buse

Nahkohe was also honored as a 2017 NCA Living Legend for the first time.

Thanks,
Amanda
